```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'btf_array_resolve'. The bottom box contains the text 'btf_int_check_kflag' on the first line and '_member' on the second line. On the right, there is a single box containing the text 'btf_type_int_is_regular'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box. The right box has a light gray fill and a black border, while the left boxes have white fills and black borders.
