

hchacha_block_generic

```
graph LR; A[hchacha_block_generic] --> B[chacha_permute]; B --> C[rol32]
```

A flowchart illustrating a sequence of three operations. The first operation, 'hchacha_block_generic', is enclosed in a gray rectangular box. A dark blue arrow points from this box to the second operation, 'chacha_permute', which is in a white rectangular box. Another dark blue arrow points from the second box to the third operation, 'rol32', also in a white rectangular box. The boxes are arranged horizontally and connected by arrows pointing from left to right.
