

sugov_start

```
graph LR; A[sugov_start] --> B[cpufreq_driver_has_adjust_perf]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'sugov_start'. The right box is gray with a black border and contains the text 'cpufreq_driver_has_adjust_perf'. A blue arrow points from the right side of the left box to the left side of the right box.
