

crc32_be

```
graph LR; A[crc32_be] --> B[crc32_be_generic]; B --> C[crc32_body];
```

The diagram illustrates a sequence of three components. The first component, 'crc32_be', is highlighted with a gray background. It is connected by a blue arrow to the second component, 'crc32_be_generic', which has a white background. This second component is then connected by another blue arrow to the third component, 'crc32_body', also with a white background. All three components are enclosed in black rectangular boxes.
