

`dma_fence_is_later`

```
graph LR; A[dma_fence_is_later] --> B[__dma_fence_is_later]
```

A diagram showing a mapping from a public function to a private one. On the left, a gray rectangular box contains the text `dma_fence_is_later`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text `__dma_fence_is_later`. Both boxes have a black border.

`__dma_fence_is_later`
