

include/media/dvb_ringbuffer.h

```
graph BT; A[include/media/dvb_ringbuffer.h] --> B[include/media/dmxdev.h]; B --> C[include/media/videobuf2-dvb.h];
```

The diagram illustrates a vertical stack of three header files. The top file, 'include/media/dvb_ringbuffer.h', is highlighted with a gray background. It is connected to 'include/media/dmxdev.h' by a blue arrow pointing upwards. This second file is in turn connected to 'include/media/videobuf2-dvb.h' at the bottom by another blue arrow pointing upwards.

include/media/dmxdev.h

include/media/videobuf2
