

`dma_mmap_wc`

```
graph LR; A[dma_mmap_wc] --> B[dma_mmap_attrs]
```

A diagram showing a pointer relationship between two variables. On the left, a gray rectangular box contains the text `dma_mmap_wc`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `dma_mmap_attrs`. Both boxes have a black border.

`dma_mmap_attrs`
