

irq_get_chip_data

```
graph LR; A[irq_get_chip_data] --> B[irq_get_irq_data]; B --> C[irq_to_desc];
```

A flowchart illustrating a sequence of three functions. The first function, 'irq_get_chip_data', is highlighted with a gray background. A blue arrow points from it to the second function, 'irq_get_irq_data', which has a white background. Another blue arrow points from the second function to the third function, 'irq_to_desc', which also has a white background. All three functions are enclosed in black rectangular boxes.
