

intel_mid_reboot

```
graph LR; A[intel_mid_reboot] --> B[intel_scu_ipc_dev_simple_command]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'intel_mid_reboot'. The right box is white with a black border and contains the text 'intel_scu_ipc_dev_simple_command' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
