

irq_sim_irqmask

```
graph LR; A[irq_sim_irqmask] --> B[irq_data_get_irq_chip_data]
```

A diagram showing a call from the function `irq_sim_irqmask` to the function `irq_data_get_irq_chip_data`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

irq_data_get_irq_chip_data
