

static_call_key_next

```
graph LR; A[static_call_key_next] --> B[static_call_key_has_mods]
```

A diagram showing a pointer relationship between two variables. On the left, a gray rectangular box contains the text 'static_call_key_next'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text 'static_call_key_has_mods'. Both boxes have a black border.
