

mmu_shrink_count

```
graph LR; A[mmu_shrink_count] --> B[percpu_counter_read_positive]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'mmu_shrink_count'. The right box is white and contains the text 'percpu_counter_read' on the top line and '_positive' on the bottom line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
