

kvm_fill_hv_flush_list_func

```
graph LR; A[kvm_fill_hv_flush_list_func] --> B[hyperv_fill_flush_guest_mapping_list]
```

A diagram showing a function pointer assignment. On the left, a gray rectangular box contains the text 'kvm_fill_hv_flush_list_func'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'hyperv_fill_flush_guest_mapping_list'.
