

objagg_obj_root_priv

```
graph LR; A[objagg_obj_root_priv] --> B[objagg_obj_is_root]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'objagg_obj_root_priv'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'objagg_obj_is_root'. Both boxes have a black border.

objagg_obj_is_root
