

__page_frag_cache_drain

page_frag_alloc_align

page_ref_sub_and_test

```
graph LR; A[__page_frag_cache_drain] --> C[page_ref_sub_and_test]; B[page_frag_alloc_align] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text '__page_frag_cache_drain' and the bottom box contains 'page_frag_alloc_align'. Both boxes have a black border and a white background. On the right, there is a single box containing the text 'page_ref_sub_and_test'. This box also has a black border but has a light gray fill. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box. The top arrow starts from the right side of the top-left box and points to the top-left corner of the right box. The bottom arrow starts from the right side of the bottom-left box and points to the bottom-left corner of the right box.
