

array_of_map_alloc

htab_of_map_alloc

bpf_map_meta_alloc

```
graph LR; A[array_of_map_alloc] --> C[bpf_map_meta_alloc]; B[htab_of_map_alloc] --> C;
```

The diagram illustrates a flow or dependency where two separate components, 'array_of_map_alloc' and 'htab_of_map_alloc', both point to a single target component, 'bpf_map_meta_alloc'. The arrows are blue and originate from the right side of the left boxes, pointing towards the left side of the right box.
