

array_of_map_alloc

htab_of_map_alloc

bpf_map_meta_alloc

```
graph LR; A[array_of_map_alloc] --> C[bpf_map_meta_alloc]; B[htab_of_map_alloc] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is labeled 'array_of_map_alloc' and the bottom box is labeled 'htab_of_map_alloc'. Both boxes have a black border and a white background. On the right, there is a single box labeled 'bpf_map_meta_alloc'. This box also has a black border but has a light gray fill. Two blue arrows originate from the right side of the left boxes. One arrow starts from the right side of the 'array_of_map_alloc' box and points to the left side of the 'bpf_map_meta_alloc' box. The other arrow starts from the right side of the 'htab_of_map_alloc' box and also points to the left side of the 'bpf_map_meta_alloc' box. The arrows are blue with black outlines and arrowheads.
