

ZSTD_writeBE32

```
graph LR; A[ZSTD_writeBE32] --> B[put_unaligned_be32]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'ZSTD_writeBE32'. A dark blue arrow points from the right side of this box to the left side of another rectangular box on the right. This second box is white with a black border and contains the text 'put_unaligned_be32'.
