

mpol\_rebind\_policy

```
graph LR; A[mpol_rebind_policy] --> B[mpol_store_user_nodemask]
```

A diagram showing a dependency between two variables. On the left, a gray rectangular box contains the text 'mpol\_rebind\_policy'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mpol\_store\_user\_nodemask'.

mpol\_store\_user\_nodemask
