

pci_dev_base

```
graph LR; A[pci_dev_base] --> B[pci_mmconfig_lookup]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'pci_dev_base'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'pci_mmconfig_lookup'. Both boxes have a black border.

pci_mmconfig_lookup
