

update\_alloc\_hint\_before\_get

```
graph LR; A[update_alloc_hint_before_get] --> B[prandom_u32]
```

A diagram showing a call from the function `update_alloc_hint_before_get` to the function `prandom_u32`. The first function is in a gray box, and the second is in a white box, connected by a blue arrow.

prandom\_u32
