

serpent_sse2_init

```
graph LR; A[serpent_sse2_init] --> B[simd_register_skcipher_compat]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'serpent_sse2_init'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'simd_register_skcipher_compat'.
