

sh_mmcif_boot_do_read

```
graph LR; A[sh_mmcif_boot_do_read] --> B[sh_mmcif_boot_do_read_single]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'sh_mmcif_boot_do_read'. The right box is gray with a black border and contains the text 'sh_mmcif_boot_do_read_single' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
