

sk_psock_queue_msg

```
graph LR; A[sk_psock_queue_msg] --> B[sk_psock_test_state];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'sk_psock_queue_msg'. The right box is light gray with a black border and contains the text 'sk_psock_test_state'. A dark blue arrow points from the right side of the left box to the left side of the right box.
