

unescape_hex

```
graph LR; A[unescape_hex] --> B[hex_to_bin]
```

A diagram showing a mapping from the function `unescape_hex` to the function `hex_to_bin`. The `unescape_hex` box is shaded gray, and the `hex_to_bin` box is white. A blue arrow points from the right side of the `unescape_hex` box to the left side of the `hex_to_bin` box.

hex_to_bin
