

acpi_fpd_t_header

```
graph BT; A[acpi_fpd_t_header]; B[acpi_fpd_t_boot_pointer]; B -.->|header| A;
```

The diagram illustrates a pointer relationship between two data structures. At the top, a white rectangular box with a black border contains the text 'acpi_fpd_t_header'. Below it, a gray rectangular box with a black border contains the text 'acpi_fpd_t_boot_pointer'. A vertical dashed purple line connects the bottom of the gray box to the top of the white box, with a solid purple arrowhead pointing upwards. To the right of this arrow, the word 'header' is written in black text.
