

max77693_reg_data

```
graph BT; A["max77693_muic_platform_data"] -.->|init_data| B["max77693_reg_data"]
```

The diagram illustrates a data flow relationship between two data structures. At the bottom, a grey rectangular box contains the text 'max77693_muic_platform_data'. A dashed purple arrow points upwards from this box to a white rectangular box at the top containing the text 'max77693_reg_data'. The arrow is labeled 'init_data' in the middle.
