

sctp_chunkhdr

```
graph BT; A[sctp_abort_chunk] -.->|uh| B[sctp_chunkhdr];
```

The diagram illustrates a pointer relationship between two data structures. At the top is a white rectangular box labeled 'sctp_chunkhdr'. At the bottom is a gray rectangular box labeled 'sctp_abort_chunk'. A dashed purple arrow points from the top of the 'sctp_abort_chunk' box to the bottom of the 'sctp_chunkhdr' box. The label 'uh' is positioned to the right of the arrow.
