

lookup_swap_cgroup

```
graph LR; A[lookup_swap_cgroup] --> B[__lookup_swap_cgroup]
```

A diagram showing a pointer relationship between two variables. On the left, a gray rectangular box contains the text 'lookup_swap_cgroup'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text '__lookup_swap_cgroup'.

__lookup_swap_cgroup
