

array_map_mmap

ringbuf_map_mmap

remap_vmalloc_range

```
graph LR; A[array_map_mmap] --> C[remap_vmalloc_range]; B[ringbuf_map_mmap] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is labeled 'array_map_mmap' and the bottom box is labeled 'ringbuf_map_mmap'. Both boxes have a black border and a white fill. On the right, there is a single box labeled 'remap_vmalloc_range'. This box also has a black border but has a light gray fill. Two blue arrows originate from the right side of the left boxes. One arrow starts from the right side of the 'array_map_mmap' box and points to the left side of the 'remap_vmalloc_range' box. The other arrow starts from the right side of the 'ringbuf_map_mmap' box and also points to the left side of the 'remap_vmalloc_range' box.
