

z3fold_zpool_malloc

z3fold_alloc

init_z3fold_page

```
graph LR; A[z3fold_zpool_malloc] --> B[z3fold_alloc]; B --> C[init_z3fold_page];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'z3fold_zpool_malloc', followed by an arrow pointing to a box labeled 'z3fold_alloc', which then points to a final box labeled 'init_z3fold_page'. The final box is shaded gray, indicating it is the terminal step in this sequence.
